A CASA is a Volunteer Advocate, who is at least 21 years of age, must pass all background checks and complete all training and court observations required by the Texas CASA guidelines through Big Country CASA.

The Volunteer is then sworn in before the Family Court Judge with the oath of confidentiality. The CASA Volunteer is supervised by Big Country CASA and assigned cases of children who are in foster care system in the Taylor County Child Protection Court.

A CASA Volunteer is one who respects a child's inherent right to grow up with dignity in a permanent, safe environment that meets that child's needs. A CASA advocates for the child's best interests in the Court during the period of the case assignment and is considered the eyes and ears of the court.

The impact of a CASA in a child's journey through foster care is immeasurable in relation to the emotional security and physical support the consistency of a CASA provides the child.

But the tangible impact of a CASA on the outcome on cases is seen in several ways; cases with a CASA are typically resolved quicker and are more likely to have a shorter stay in foster care. They are less likely to be returned to foster care and secure a permanent, safe placement quicker.

CASAs typically have one or two cases at a time, which allows them more time to advocate for the best interest of the children which benefits the Attorney at Litem, and the Case Workers. CASAs are just one part of a team working together for the good of the children from our community, and together we are changing the course of their lives.
