We can't wait to see everyone at the **ACU vs. Tarleton State** football game happening on **November 13th at 1pm**. Additionally, there will be a CASA tailgate happening directly next to the stadium from **11am to 1pm**.

Bee on the lookout!

CASA will be hosting a **Foster Care Simulation and Resource Fair** in February 2022. This event will provide insight and knowledge into the child welfare system.
